Charlie Masso

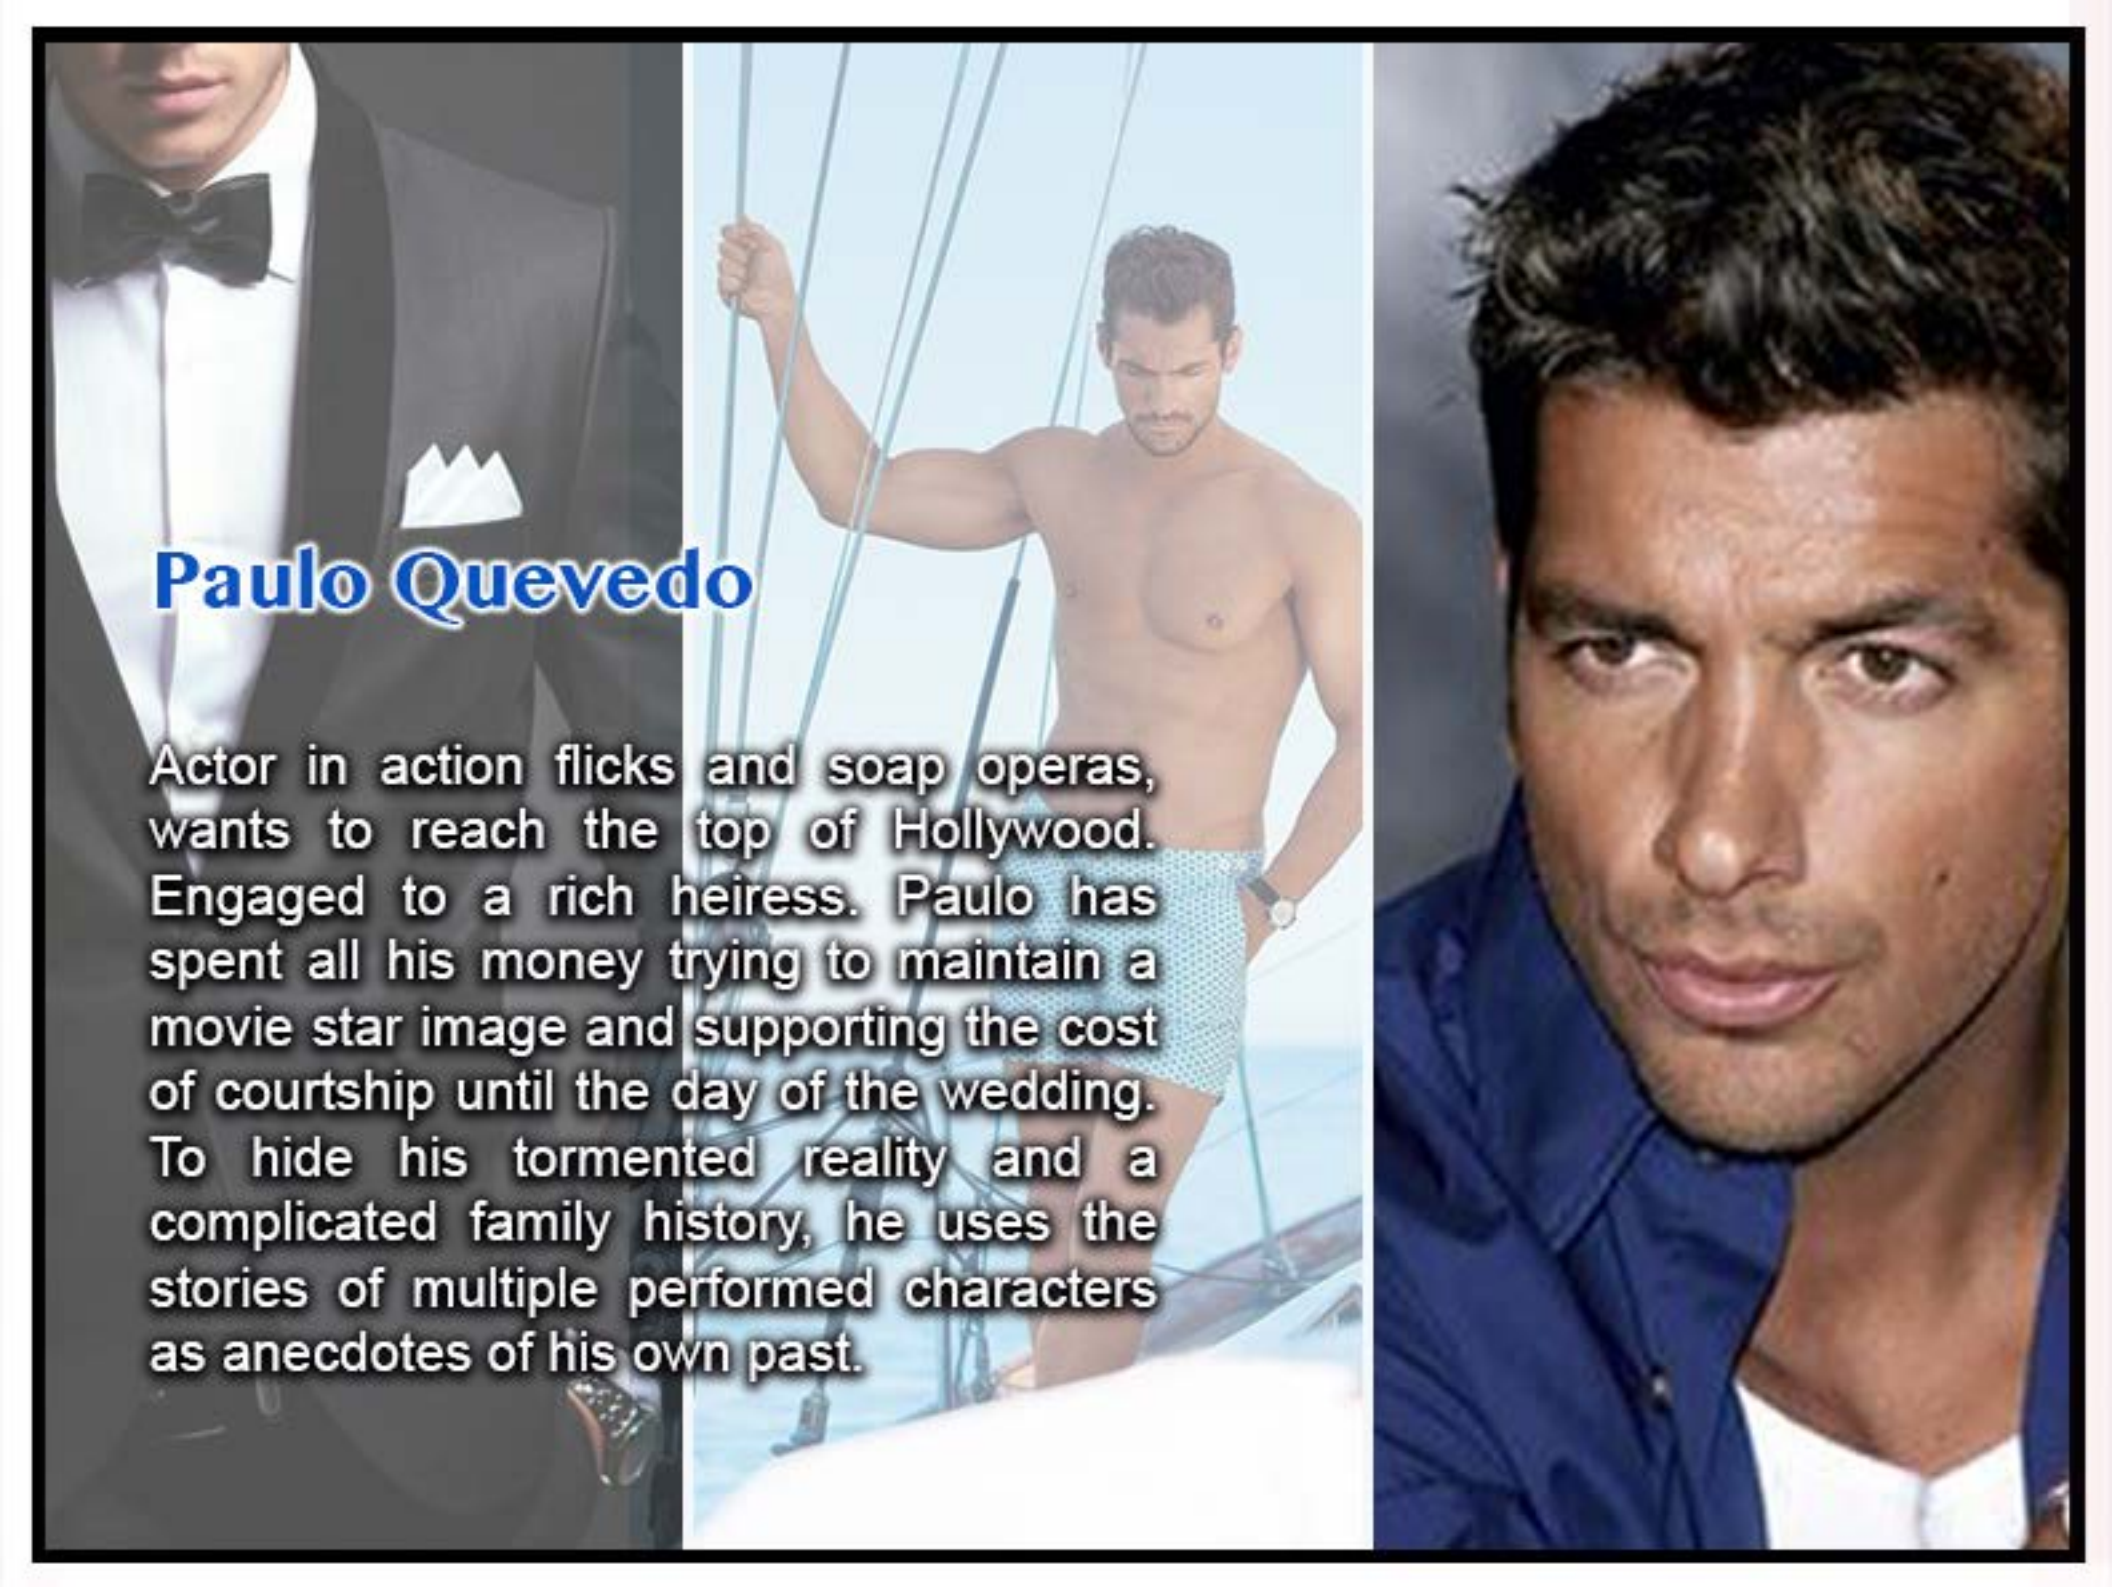

Former member of The Legendary Latin boy band of the 80's: MENUDO. Entrepreneur and enthusiast. Invites his has-been celebrity and wannabe friends to create the most important entertainment production company in the world. But secretly, he seeks to fill stadiums again, dreams of duets with Elvis and Sinatra, where his fans harass, seduce and idolize him. When confronted by his wife about their financial situation and his producer's skills, he boasts about a supposed "bachelor's degree in entertainment".

Polly Smith

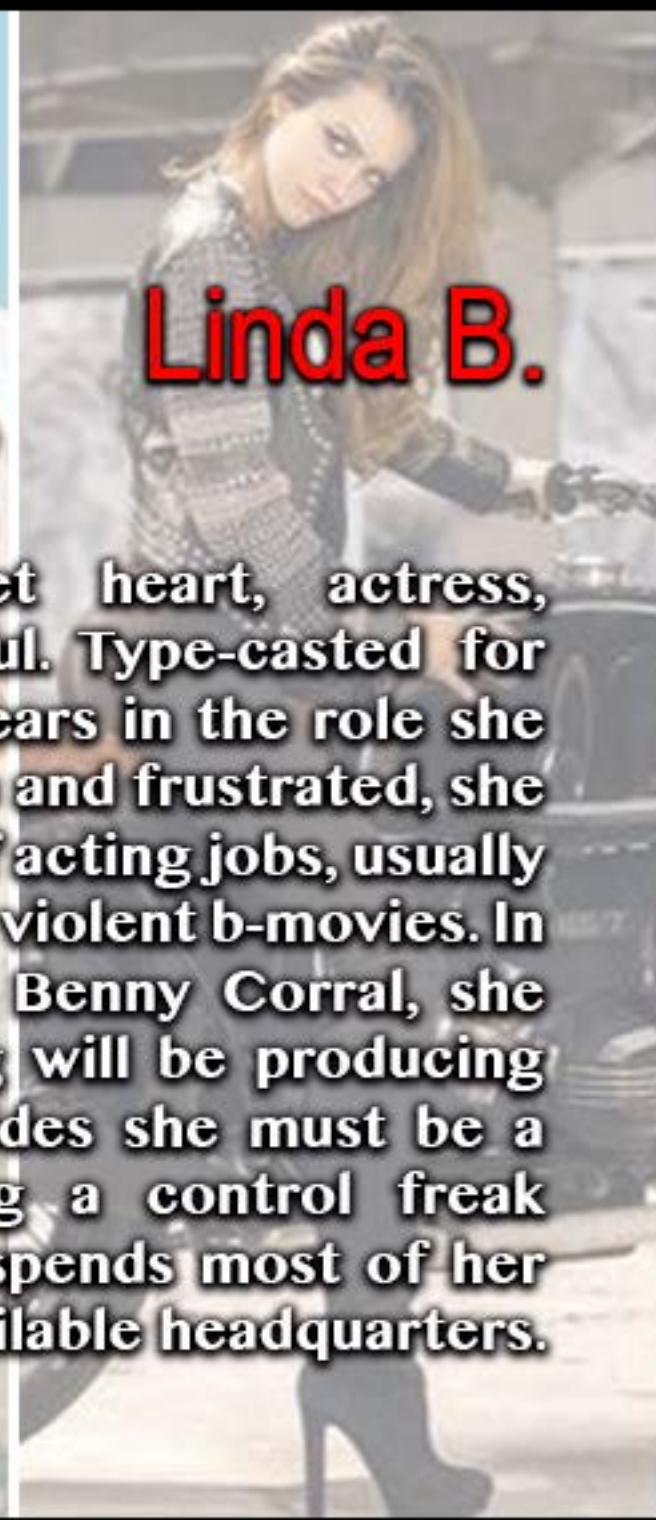

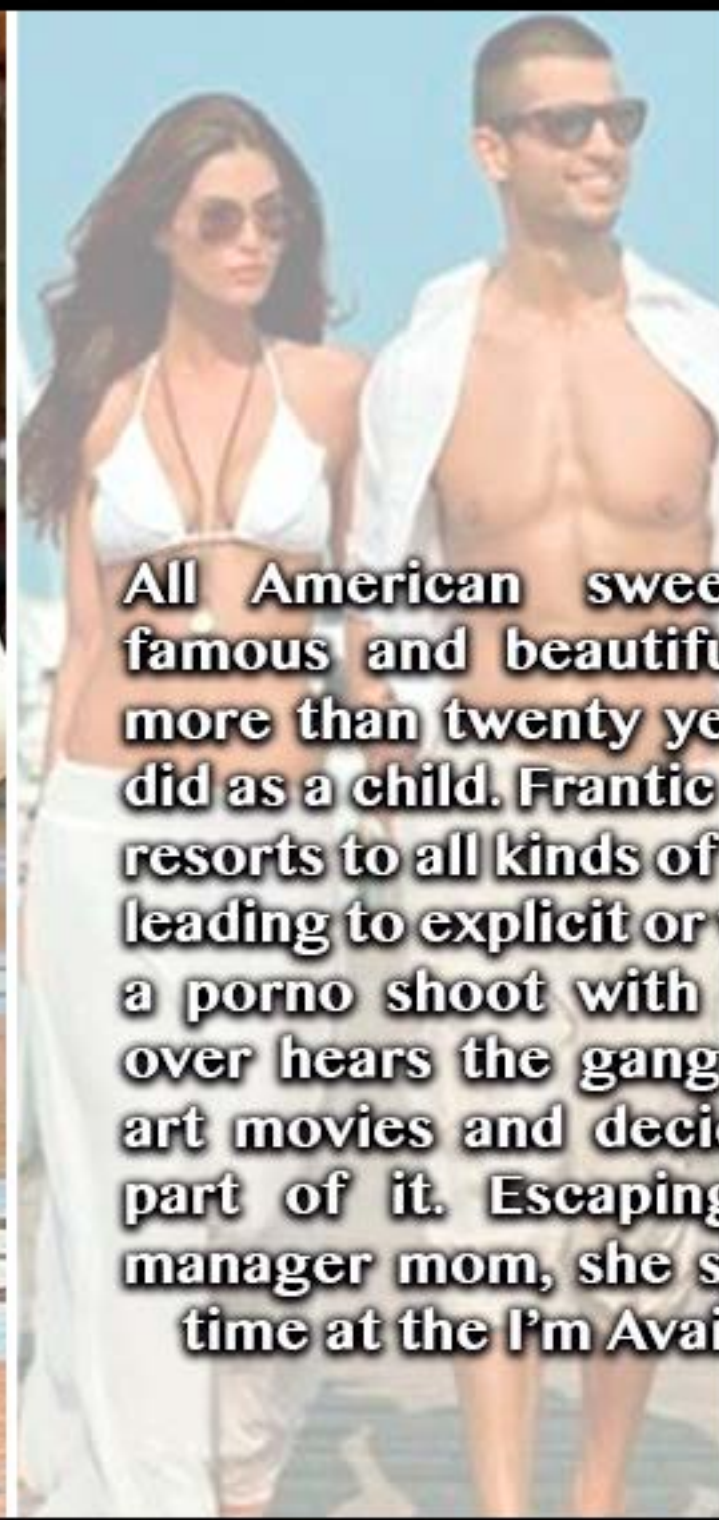

Millennial, wannabe activist, beautiful and intelligent. Unknowing the eccentric and over the top gang she's about to meet, enters the company pretending to be an air-headed secretary, seeing the potential to support social causes through massive events. Once her real self is exposed - sometimes we hear her thoughts and see the madness through her eyes - men and women are seduced by her integrity, charisma and... amazing social life. She placed a restraining order against her wealthy ex-boyfriend, who will do anything to possess her, ruining her present job and company.

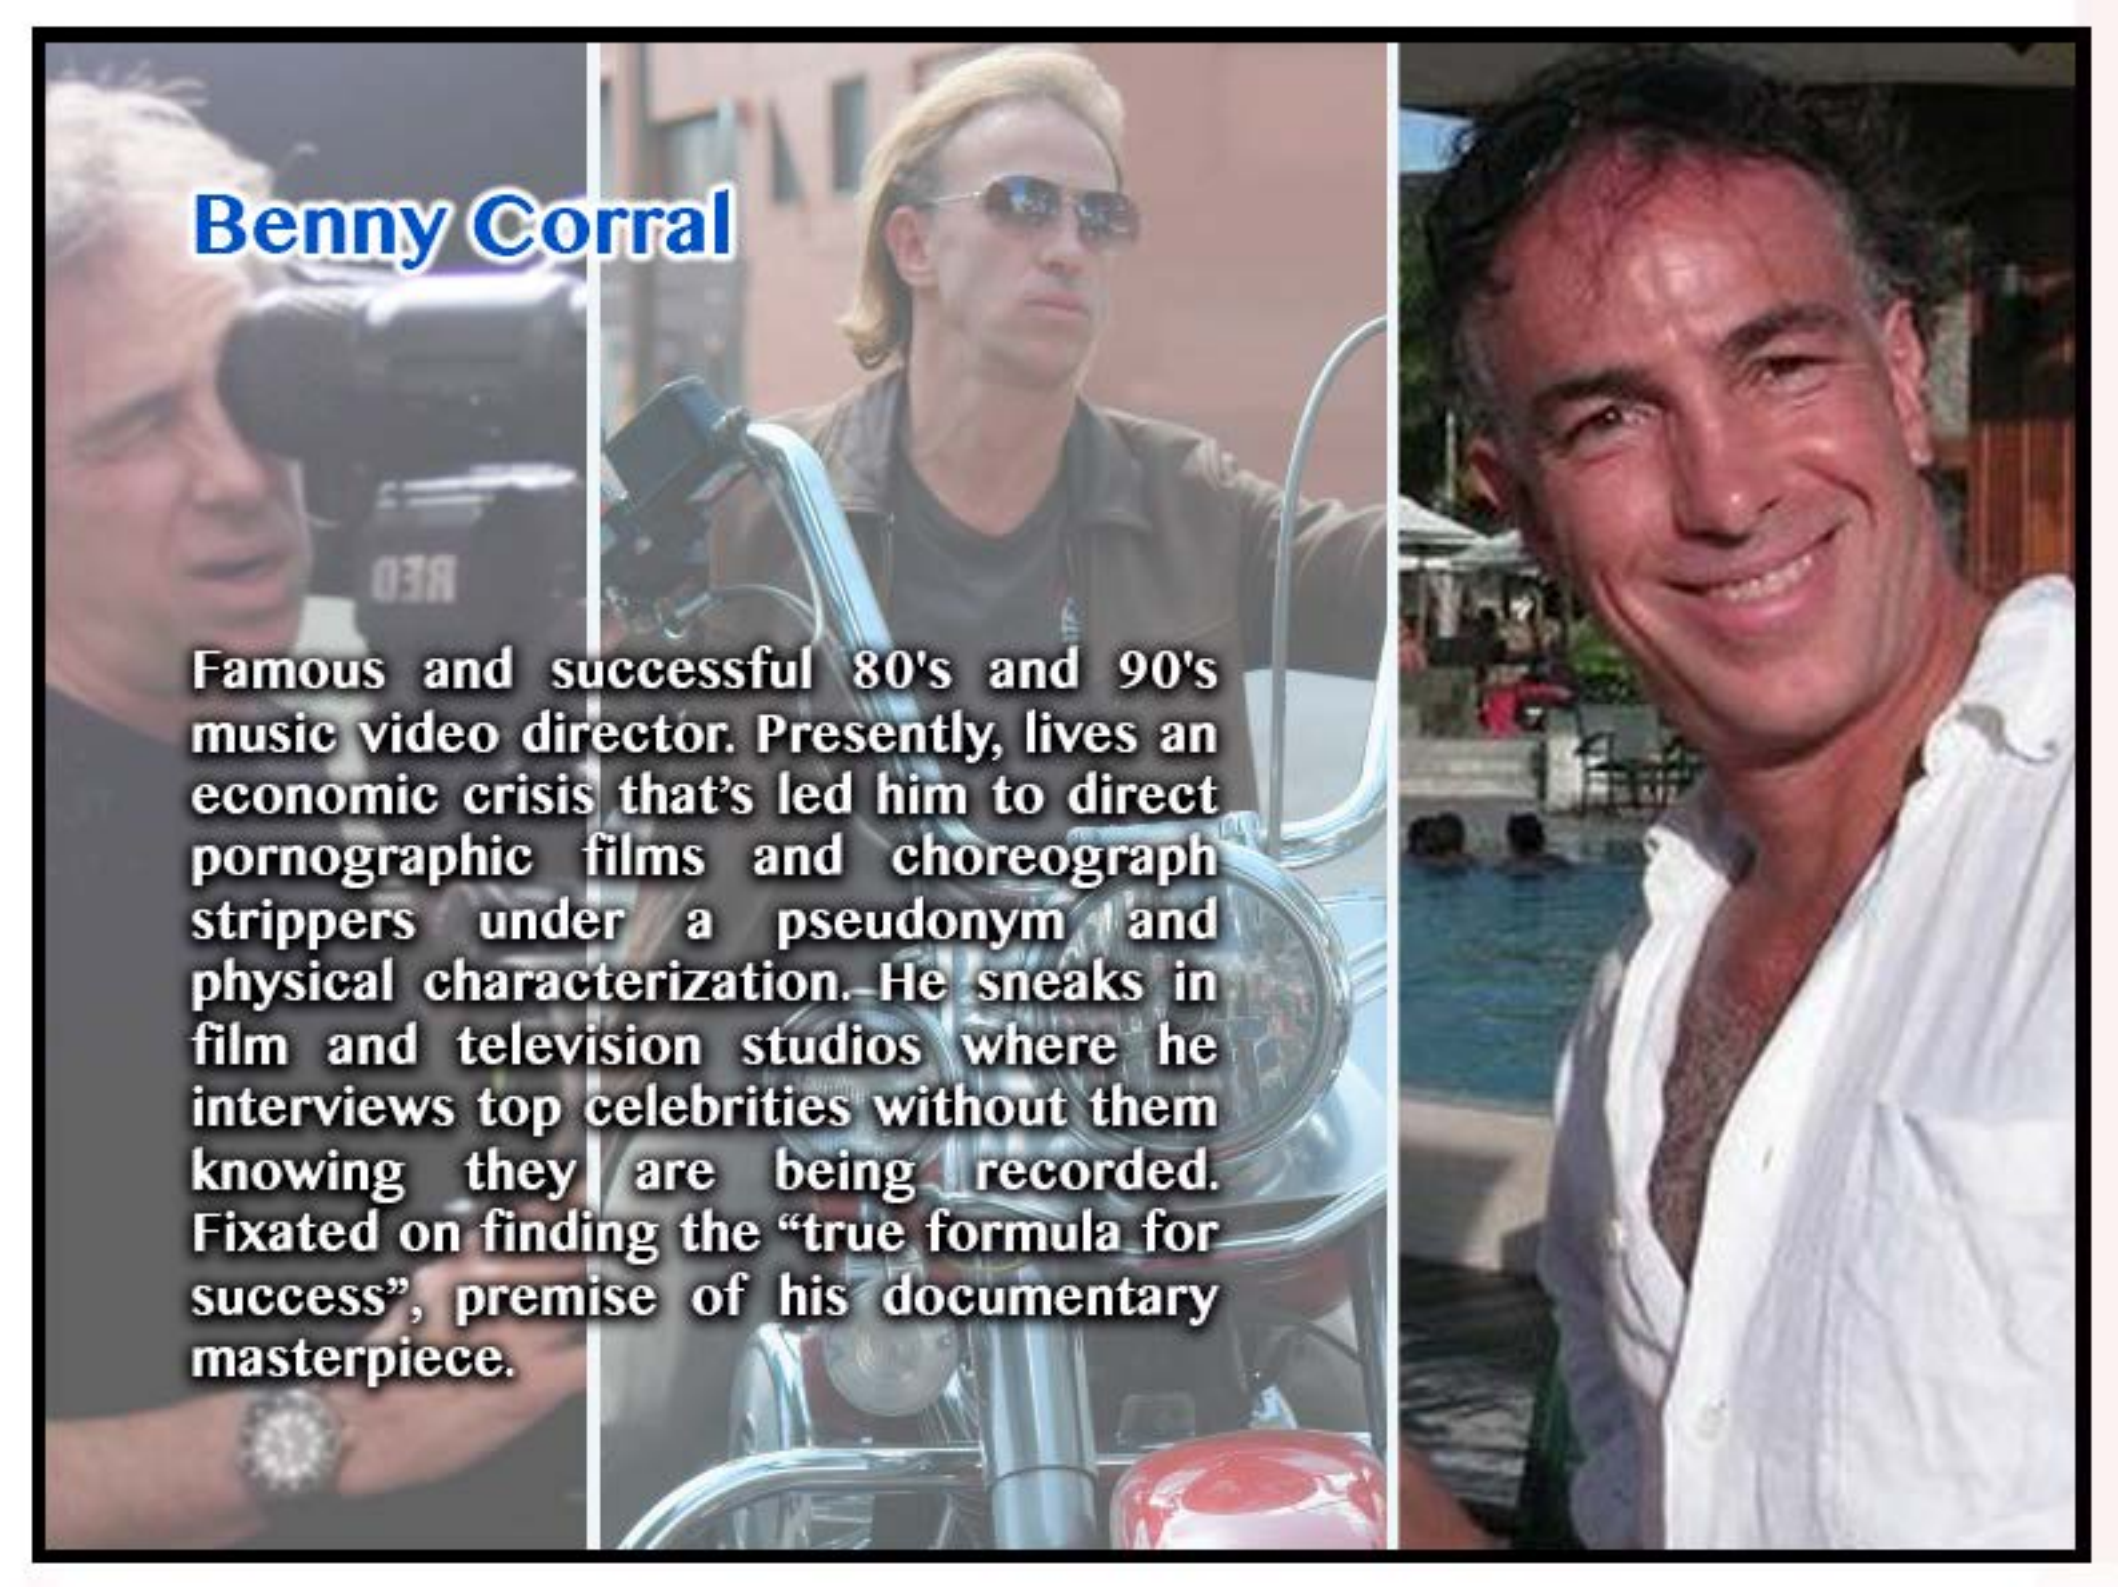

Paulo Quevedo

Actor in action flicks and soap operas, wants to reach the top of Hollywood. Engaged to a rich heiress. Paulo has spent all his money trying to maintain a movie star image and supporting the cost of courtship until the day of the wedding. To hide his tormented reality and a complicated family history, he uses the stories of multiple performed characters as anecdotes of his own past.

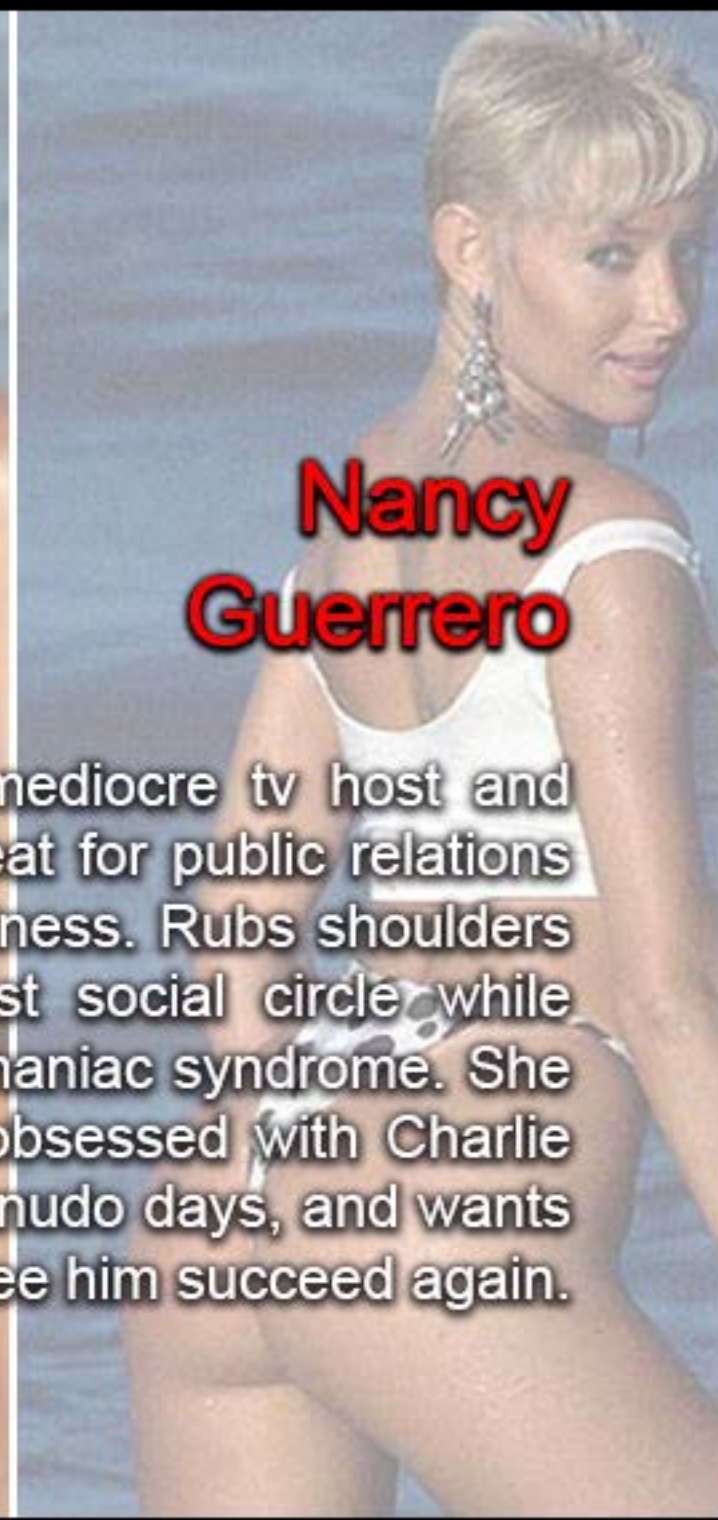

Linda B.

All American sweet heart, actress, famous and beautiful. Type-casted for more than twenty years in the role she did as a child. Frantic and frustrated, she resorts to all kinds of acting jobs, usually leading to explicit or violent b-movies. In a porno shoot with Benny Corral, she over hears the gang will be producing art movies and decides she must be a part of it. Escaping a control freak manager mom, she spends most of her time at the I'm Available headquarters.

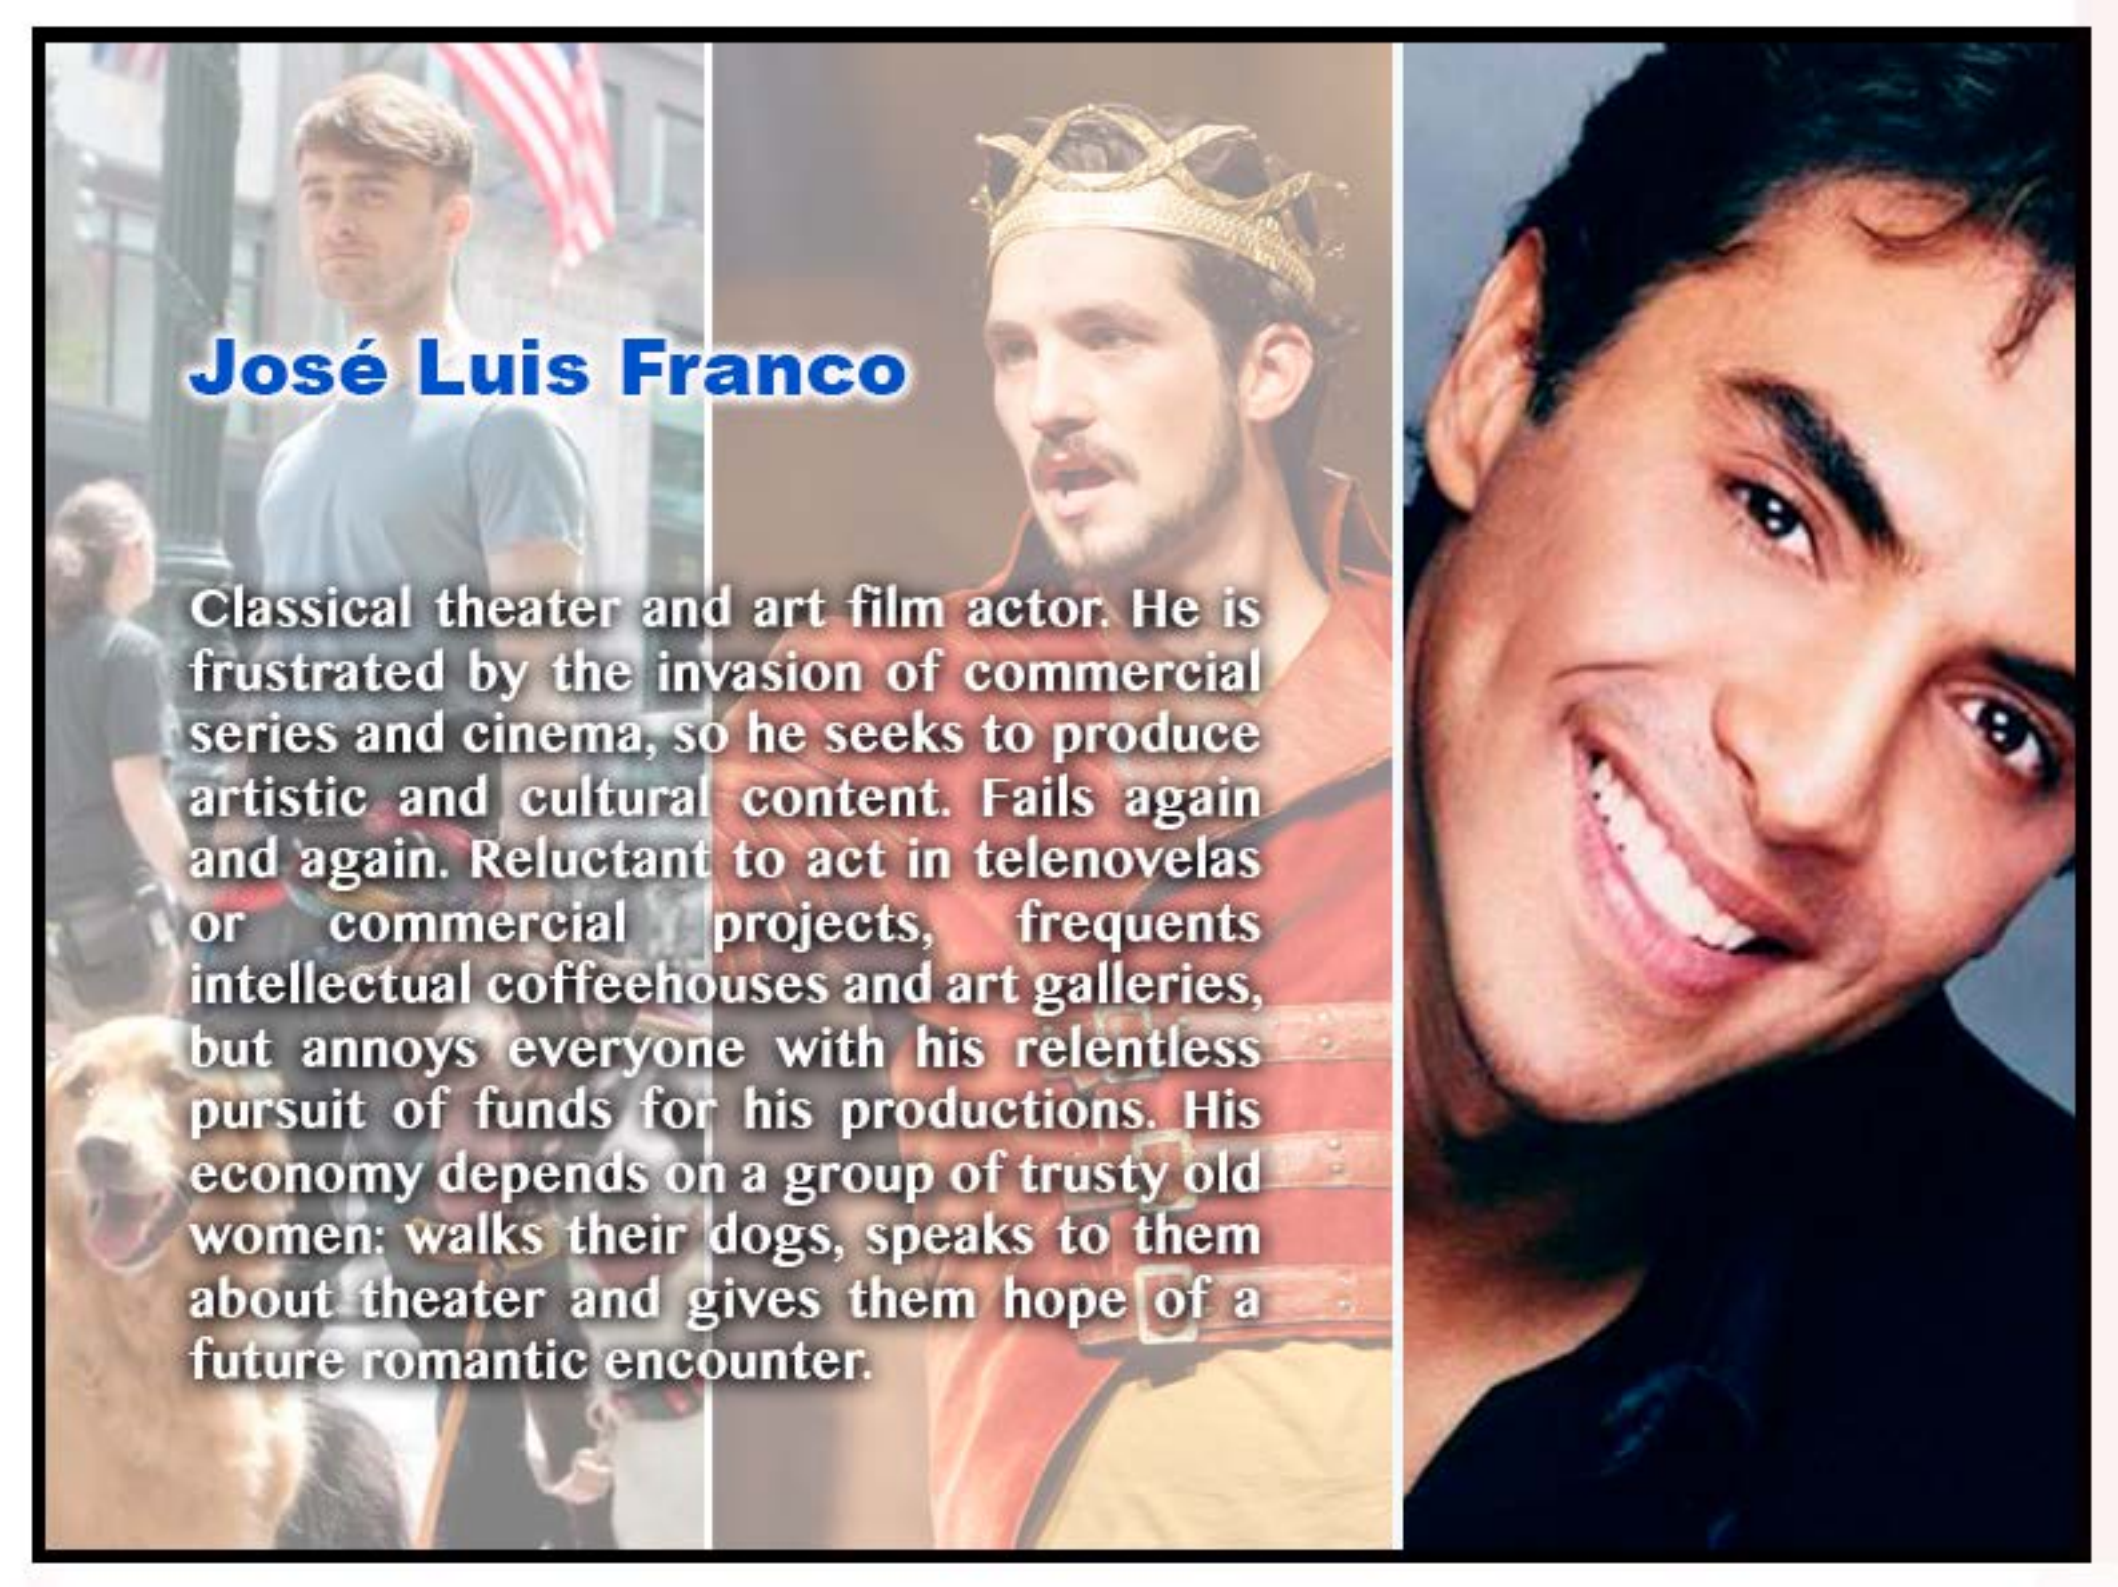

Benny Corral

Famous and successful 80's and 90's music video director. Presently, lives an economic crisis that's led him to direct pornographic films and choreograph strippers under a pseudonym and physical characterization. He sneaks in film and television studios where he interviews top celebrities without them knowing they are being recorded. Fixated on finding the "true formula for success", premise of his documentary masterpiece.

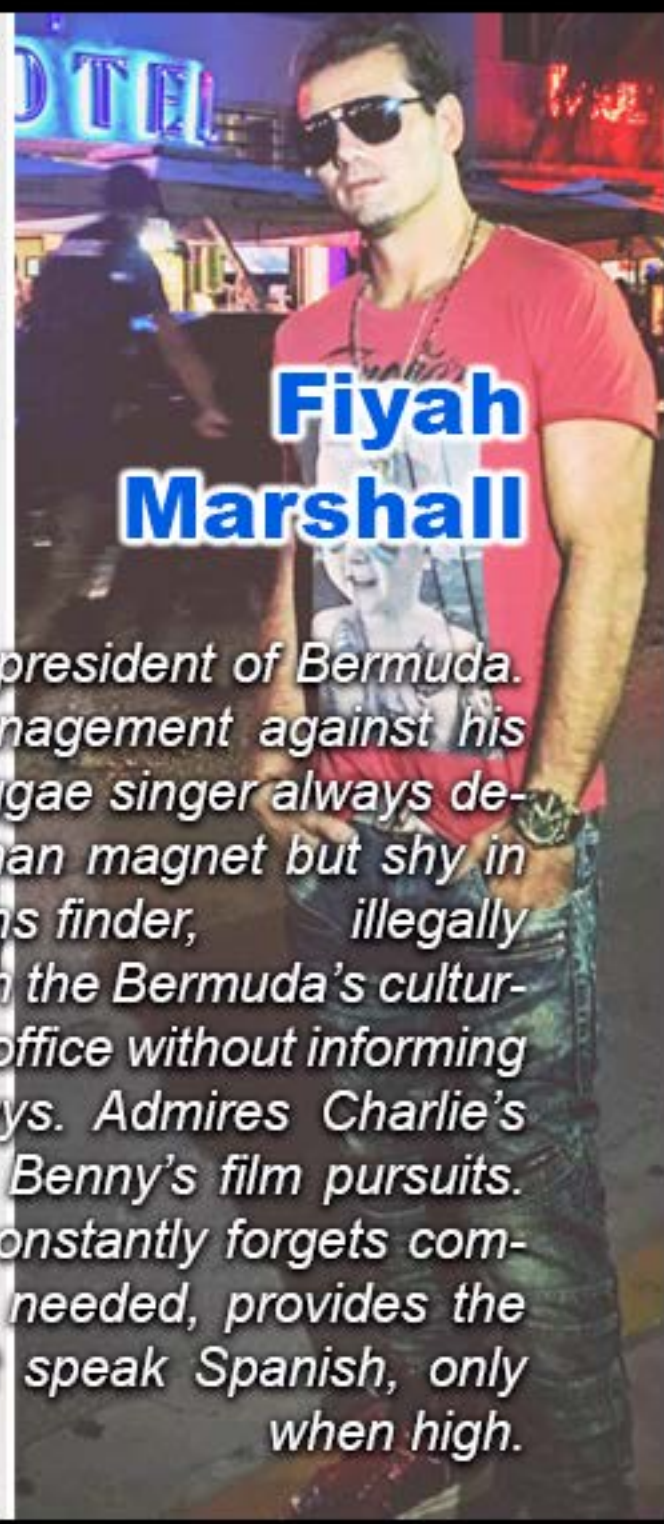

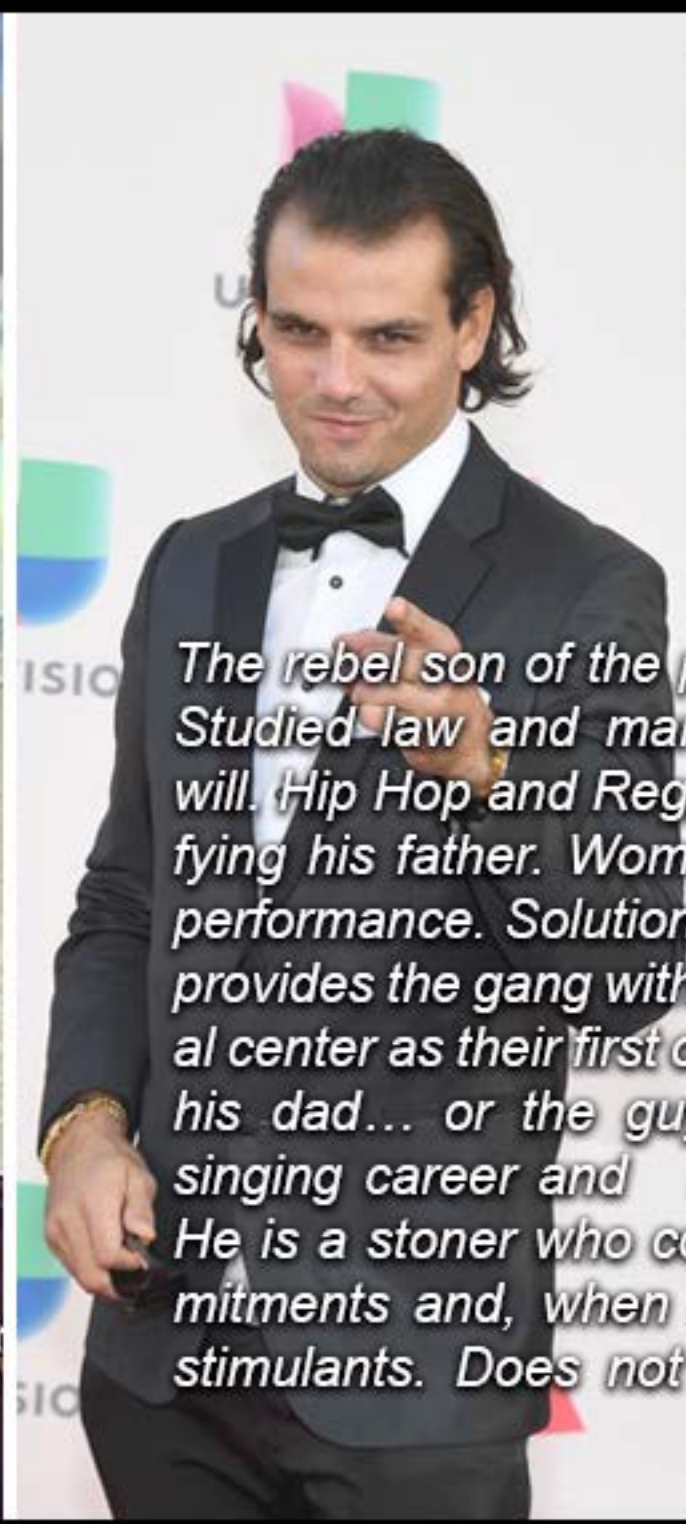

**Nancy
Guerrero**

Attractive cougar, mediocre tv host and terrible actress. Great for public relations and brilliant for business. Rubs shoulders with Miami's highest social circle while hiding her nymphomaniac syndrome. She has been secretly obsessed with Charlie Masso since his Menudo days, and wants to see him succeed again.

José Luis Franco

Classical theater and art film actor. He is frustrated by the invasion of commercial series and cinema, so he seeks to produce artistic and cultural content. Fails again and again. Reluctant to act in telenovelas or commercial projects, frequents intellectual coffeehouses and art galleries, but annoys everyone with his relentless pursuit of funds for his productions. His economy depends on a group of trusty old women: walks their dogs, speaks to them about theater and gives them hope of a future romantic encounter.

Fiyah Marshall

The rebel son of the president of Bermuda. Studied law and management against his will. Hip Hop and Reggae singer always defying his father. Woman magnet but shy in performance. Solutions finder, illegally provides the gang with the Bermuda's cultural center as their first office without informing his dad... or the guys.
